

Proposed Timeline

Strengthening Career and Technical Education for the 21st Century Act (Perkins V)

Career and Technical Education (CTE) and Perkins Plan Stakeholder Engagement and Comment Period

As a recipient of federal CTE funding, Wisconsin is required to develop a state plan in consultation with a number of entities within the state.

February 2019 – May 2019: Stakeholder Engagement

During the planning period, several stakeholder groups will be interviewed or surveyed including: parents, students (CTE and CTE alumni, special populations, non-CTE), business and industry, state agencies, representatives of special populations, and school district personnel (teachers, coordinators, administrators, and counselors).

Facilitators will use five in-person regional meetings as well as online surveys to solicit input about priorities for quality CTE programming in order to inform the development of the state plan.

May-August 2019: Drafting of State Plan

September-October 2019: Public hearings and written comment on the State Plan, including the state level performance standards

January 2020: Wisconsin Technical College System Board Review of Plan

March 2020: Governor Review

April 2020: Submission of State Plan to the U.S. Department of Education

July 2020: Fiscal Year Begins
